

Skechers Foundation
Skechers Restaurant COVID Relief Fund
Save Our Restaurant's Donee Application

Thank you for your interest in becoming a donee of the Skechers Restaurant COVID Relief Fund via the Skechers Foundation. This fund has been established to save struggling locally-owned Manhattan Beach restaurants by helping keep staff employed and paying rent and operations through the current outdoor dining closure related to COVID-19.

Please be sure to complete the following application in its entirety, using the following checklist as a guide to ensure that all materials are included upon submission of your application. Initial grants can be up to \$20,000 and if further financial resources are available, additional grant amounts may be considered in the future. Grants must be used solely for the basic operating and payroll expenses designated in the Skechers Foundation "Save Our Restaurants" Use Of Proceeds Agreement that must be signed by every recipient.

Applicants will only be eligible for consideration once all materials are received and understand there is no guarantee of grant receipt. Grants will be based on a review of the completed application and the final decision of the Skechers Foundation. All completed applications are due no later than December 18, 2020 and will be reviewed concurrently. Any completed applications received after December 18, 2020 will be reviewed in the order they are submitted.
